NATIONAL TECHNICAL WORKSHOP on
INDIAN PERSPECTIVE ON FOOD SAFETY, SECURITY AND STANDARDS
(07 – 08 June, 2023)

Greetings from ICAR-CIFT, Cochin!

We are pleased to invite you for the National Technical Workshop on “**Indian Perspective on Food Safety, Security and Standards**” from 7th to 8th June 2023, in connection with the World Food Safety Day celebrations. Society of Fisheries Technologists India (SOFTI), Food Safety and Standards Authority of India (FSSAI), and India section of AOAC International are the other co-organisers. The two-day national technical workshop will deliberate on the Indian Perspective of Food Safety, Security, and Standards, under the following three major sub themes:

1. Food preservation, fortification, and value addition
2. Novel foods and nutraceuticals
3. Food safety, standards, and risk assessment.

Plenary session: Industry thought leaders

Technical session from industry sponsors

To register for the technical workshop, please follow the link and submit your abstract:
