**9<sup>th</sup> Annual Conference of the India  
Section of AOAC International  
24<sup>th</sup> November, 2025  
@The Royal Plaza, New Delhi  
[www.aoac-india.org](http://www.aoac-india.org)  
Registration Fees 5000/-**

**Dear Fellow Scientists, Researchers,  
Students and Leaders from  
Government and the Industries!**

**Advance Your Career. Shape the  
Future. Make an Impact.**

**Invitation to Join India Section of  
AOAC International  
2025**

# The Evolving Landscape of Analytical Chemistry in India

The landscape of analytical chemistry in India is rapidly evolving, driven by stringent regulatory requirements, emerging technologies, and the growing demand for quality assurance across industries. As professionals committed to scientific excellence, we have a unique opportunity to shape this transformation while advancing our own careers and expertise.

**The AOAC India Section invites you to become part  
of this influential community.**

For over a century, AOAC International has been the global authority in analytical chemistry, setting the gold standard for analytical methods and quality assurance. The methods are recognized and trusted by regulatory bodies worldwide, including the FDA, USDA, Health Canada, and India's own FSSAI and Central Drugs Standard Control Organization.

# Benefits of AOAC India Section Membership

## For Individual Professionals:

- Stay ahead of regulatory changes and industry standards
- Network with decision-makers across pharmaceutical, food, and chemical industries
- Gain recognition as a thought leader in analytical chemistry
- Participate in harmonizing international standards with Indian regulations
- Connect with global regulatory experts and best practices

## For Academicians and Researchers:

- Collaborate on cutting-edge research with industry and government partners
- Access the latest analytical techniques and methodologies
- Publish in high-impact journals and present at prestigious conferences
- Mentor the next generation of analytical chemists
- Bridge the gap between academic research and practical applications

## Exclusive Member Benefits

### Professional Development

- Continuing Education: Access to workshops, webinars, and training programs
- Annual Conferences: Network at India's premier analytical chemistry events
- Technical Sessions: Learn from global experts and industry pioneers

### Knowledge Resources

- Regulatory Updates: Stay informed about changing standards and requirements through our webinars
- Best Practices: Learn from successful implementations across industries

### Collaborative Platform

- Cross-Industry Networking: Connect with professionals from pharmaceuticals, food safety, environmental testing, and more
- Research Partnerships: Collaborate on multi-institutional projects
- Knowledge Sharing: Contribute to and benefit from collective expertise
- Innovation Hub: Be part of developing tomorrow's analytical solutions

## Flexible Membership Options

We understand that professionals have diverse needs and career stages:

### Individual Membership (₹3000/year)

Perfect for industry professionals seeking continuous learning and networking

### Academic Membership (₹2000/year)

Specially designed for educators and researchers

### Student Membership (₹1000/year)

Affordable access for the next generation of scientists

### Life Membership (₹9999)

One-time investment for lifelong benefits and recognition

# Join India's Analytical Chemistry Leaders

Our members represent the finest minds in analytical chemistry across India:

-  Leading Food, Pharma and Instrumentation companies ensuring quality and safety
-  Food safety experts protecting public health
-  Environmental analysts safeguarding our natural resources
-  Academic researchers pushing the boundaries of scientific knowledge
-  Government officials upholding regulatory standards

The analytical community in India needs leaders who can bridge the gap between global standards and local applications. Whether you're developing new analytical methods, ensuring regulatory compliance, or training the next generation of scientists, AOAC India Section provides the platform, resources, and recognition you need to succeed.

*Don't just keep pace with change—lead it.*

Join us in shaping the future of analytical chemistry in India. Your expertise, combined with AOAC's credibility, creates unlimited possibilities for professional growth and scientific impact.

Complete the attached membership application today

# Membership Application Form

Type of Membership:  Life Term Membership

Annual Membership

1.  Individual Membership

2.  Academicians

3.  Student Membership

## Section 1: Personal Details

Full Name: \_\_\_\_\_

Designation: \_\_\_\_\_

Organization/Institution: \_\_\_\_\_

Email (Official): \_\_\_\_\_

Mobile Number: \_\_\_\_\_

Address for Communication:

India

City: \_\_\_\_\_ State: \_\_\_\_\_ PIN: \_\_\_\_\_

## Section 2: Professional Background

Area of Expertise (Tick applicable):  Food Safety & Quality  Pharmaceuticals

Analytical Chemistry  Regulatory Affairs  Academia/Research  Other (Specify):

\_\_\_\_\_

Are you currently an AOAC International Member?  Yes  No

If Yes, your AOAC International Member Id:

## Section 3: Payment Details

S.No.	Membership Type	Membership Fees	GST	Total Dues
1	Individual	<del>3500</del>	<del>630</del>	<del>4130</del> 3000
2	Academicians	<del>2500</del>	<del>450</del>	<del>2950</del> 2000
3	Student	<del>1000</del>	<del>180</del>	<del>1180</del> 1000
4	Life Membership-All Above Categories	<del>15000</del>	<del>2700</del>	<del>17700</del> 9999

Payment Method:  Bank Transfer (Details below)  UPI (Provide UPI ID: \_\_\_\_\_)  Cheque/DD (No. \_\_\_\_\_ Bank: \_\_\_\_\_)

Bank Details for Transfer: Account Name: AOAC India Section Bank Name: \_\_\_\_\_ Account No.: \_\_\_\_\_ IFSC Code: \_\_\_\_\_

Transaction Reference No./UTR: \_\_\_\_\_ Payment Date: \_\_\_\_\_

## Section 4: Declaration & Consent

- I agree to abide by the AOAC India Section Bylaws.
- I confirm that the provided details are accurate.
- I authorize AOAC-India Section to use my contact details for official communications.

Signature: \_\_\_\_\_ Date: \_\_\_\_\_

### Submission Process

- Fill the form (typed/handwritten).
- Make payment via preferred mode. Digital Payment Options available through [www.aoac-india.org](http://www.aoac-india.org)
- Email scanned copy to: [membership@aoacindia.org](mailto:membership@aoacindia.org) Subject: Membership Type\_Name

OR Mail hard copy to: AOAC India Section 4/9, Kirti Nagar, New Delhi-110 105

For Queries: +91-79885 30079 | Email: [info@aoac-india.org](mailto:info@aoac-india.org) | URL: [www.aoac-india.org](http://www.aoac-india.org)

Note:

- Confirmation email within 7 working days.
- Membership ID & Receipt of Payment shall be dispatched post-verification.
- GST (18%) included as per Indian tax regulations.
- Membership subject to approval by AOAC India Section.
- GSTIN/UIN: 07AADC11701N1Z0

Together, we're not just analyzing samples—we're analyzing the future.
